

School boy/Flatware boys

Please provide for your actor (beg, borrow, buy)

DUE: FRIDAY SEPT. 23

Pair of navy school shorts. We will be attaching removable buttons to the bottoms of the legs over the weekend. These buttons will make the shorts look more like little boys pants from the 1700's by making them tighter around the knee. The longer shorts are better. You will be able to completely remove the buttons when we are done. If your child doesn't have navy school shorts, see if you can borrow a pair. Walmart.com has some for \$7; <https://www.walmart.com/ip/REAL-SCHOOL-Boys-Flat-Front-Shorts-School-Uniform-Approved/51211004>

DUE: MONDAY SEPT. 26

White long sleeve button up shirts with collar
